

Greetings,

We are excited to collaborate and partner with the Delaware Department of Correction! Our mission is to establish a culture that recognizes the value of the patient, team member, and client through service excellence resulting in the most positive clinical experience.

Starting the week of May 15th, we will be traveling to each site to begin on-boarding current team members and ensure we maintain the hard-working staff that provide great care to our patient population. Please know that your job is safe and secure for those working in the facilities. When you enter the facilities, please look for the VitalCore employees near your points of entry who will be ready to share more information.

At VitalCore Health Strategies, we are pleased to offer a comprehensive and strong benefits package to all benefit-eligible employees. We value our employees and their contribution to the success of our organization, and our benefits package is designed to help you take full advantage of our plans that make sense for you and your family.

Our team looks forward to meeting and working with you! Please contact DelawareTransition@vitalcorehs.com for any questions.

Sincerely,

Viola Riggin
Chief Executive Officer
