

Greetings,

We are excited to collaborate and partner with Kansas Department of Corrections! Our mission is to establish a culture that recognizes the value of the patient, team member, and client through service excellence resulting in the most positive clinical experience.

Within the next few weeks, we will be traveling to the facilities to begin on-boarding current team members and ensure we maintain the hard-working staff that provide great care to our patient population. We will share more details about the upcoming dates and times that our team will be on-site.

VitalCore Health Strategies offers a comprehensive and strong benefits package to all benefit-eligible employees. We value our employees and their contribution to the success of our organization, and our benefits package is designed to help you take full advantage of our plans that make sense for you and your family.

Our team looks forward to meeting and working with you! Please contact Human Resources at [KansasTransition@vitalcorehs.com](mailto:KansasTransition@vitalcorehs.com) for any questions.

Sincerely,

Viola Riggin  
Chief Executive Officer
