Greetings,

We are excited to collaborate and partner with Charleston County. Our mission is to establish a culture that recognizes the value of the patient, team member, and client through product and service excellence resulting in the most positive clinical experience.

VitalCore Health Strategies goal is to retain all current employees. VitalCore will be on-site next week to deliver transition materials and meet with staff. We will be located in the conference room Monday (May 22nd) 11am – 4pm and Tuesday (May 23rd) 5am – 3pm.

At VitalCore Health Strategies, we are pleased to offer a comprehensive and strong benefit package to all benefits-eligible employees. We value our employees and their contribution to the success of our organization, and our total rewards program is designed to help you take full advantage of any benefits that makes sense for you and your family. Your seniority date with the County will determine your tier level of accrual rates for Paid Time Off and Sick Leave.

Our team looks forward to meeting and working with you. Please contact CharlestonTransition@VitalCoreHS.com for any immediate questions.
