

Greetings,

We are excited to collaborate and partner with the Michigan Department of Corrections! Our mission is to establish a culture that recognizes the value of the patient, team member, and client through service excellence resulting in the most positive clinical experience.

Starting the week of February 26th, we will be traveling to each site to begin on-boarding current team members and ensure we maintain the hard-working staff that provide great care to our patient population. When you enter the facilities, please look for the VitalCore employees near your points of entry who will be ready to share more information.

At VitalCore Health Strategies, we are pleased to offer a comprehensive and strong benefits package to all benefit-eligible employees. We value our employees and their contribution to the success of our organization, and our benefits package is designed to help you take full advantage of our plans that make sense for you and your family.

To begin the application and onboarding process with VitalCore, please contact MichiganDOC-Transition@vitalcorehs.com for the application instructions and password to the transition portal. To get to the transition portal, please visit our website [www.vitalcorehs.com](http://www.vitalcorehs.com) and click on the "Transition" tab at the top center of the page. Our team looks forward to meeting and working with you!

Sincerely,
