Greetings to All Massachusetts Department of Correction Medical and Mental Health Staff,

VitalCore is very excited to collaborate and partner with the Massachusetts Department of Correction! Our mission is to establish a culture that recognizes the value of the patient, team member, and client through service excellence resulting in the most positive clinical experience.

Within the next few weeks, we will be traveling to the facilities to begin on-boarding current team members and ensure we maintain the hard-working staff that provide great care to our patient population as much as possible. We will share more details about dates and times that our team will be on-site.

VitalCore Health Strategies offers very competitive wages and a comprehensive and strong benefits package to all benefit-eligible employees. We value our employees and their contribution to the success of our organization, and our benefits package is designed to help you take full advantage of our plans that make sense for you and your family. VitalCore also recognizes the seniority of the current staff when joining VitalCore. Our team looks forward to meeting and working with you!

Please contact Human Resources at [MassachusettsTransition@vitalcorehs.com](mailto:MassachusettsTransition@vitalcorehs.com) for any questions you may have.

Sincerely,

Viola Riffin,
